NEWS PAGE.....NEWS PAGE.....

Hello Heroes,

It's a long time now since the "Whisper" ended its distinguished career under the auspices of Gustav. So we hope this series of "Hobleys' Heroes" is not considered to be a second "Whisper" as we feel we cannot immitate Gustavs' style or approach.

We are hoping though that you will find our humble offerings as amusing and as informative as our predecessor.

oOo

The policy we are adopting is simple!

TEAM SPIRIT.

oOo

The "Hobleys' Heroes" theme of the comic strip has been evolved because it can involve all of us. Of course due to the ammount of space, or the storyline, you will, we hope, appreciate that not every person in the unit can be

individually shown in every issue, though we envisage everybody being involved eventually.

oOo

As the motivation behind "Hobleys' Heroes" is one of communication and creating TEAM SPIRIT there will of course be unit, site, departmental and union news. The articles being contributed by the people personally involved in the particular news item. Any individual who wishes to write an article, other than news, or make a crossword, or create a quiz, will be welcomed with open arms, the more the merrier.

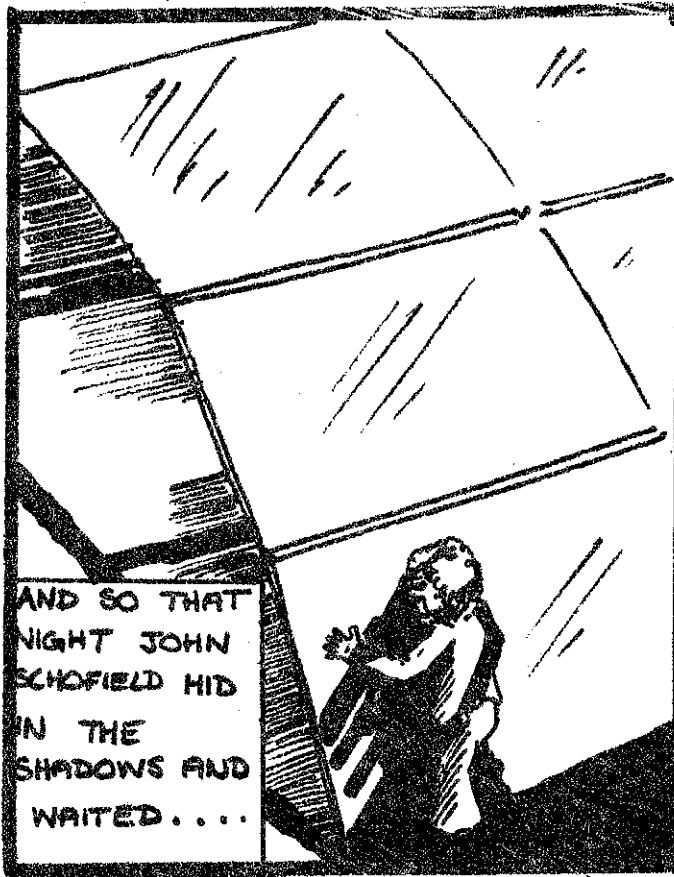

We want this publication to be a part of ALL of us, and something we can ALL be proud of.

oOo

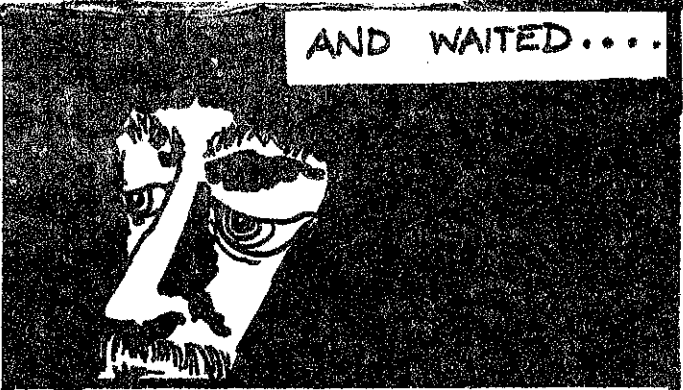

Bad News item!

Because we are having to pay for printing we hope you will not begrudge parting with 5p. per issue. Any residue will go to the City Trust.

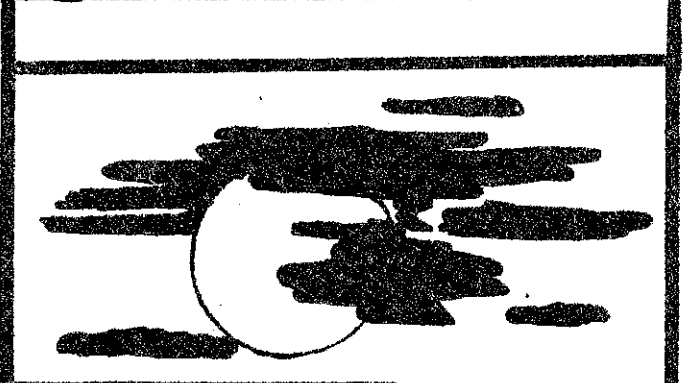

Yours, JBE.

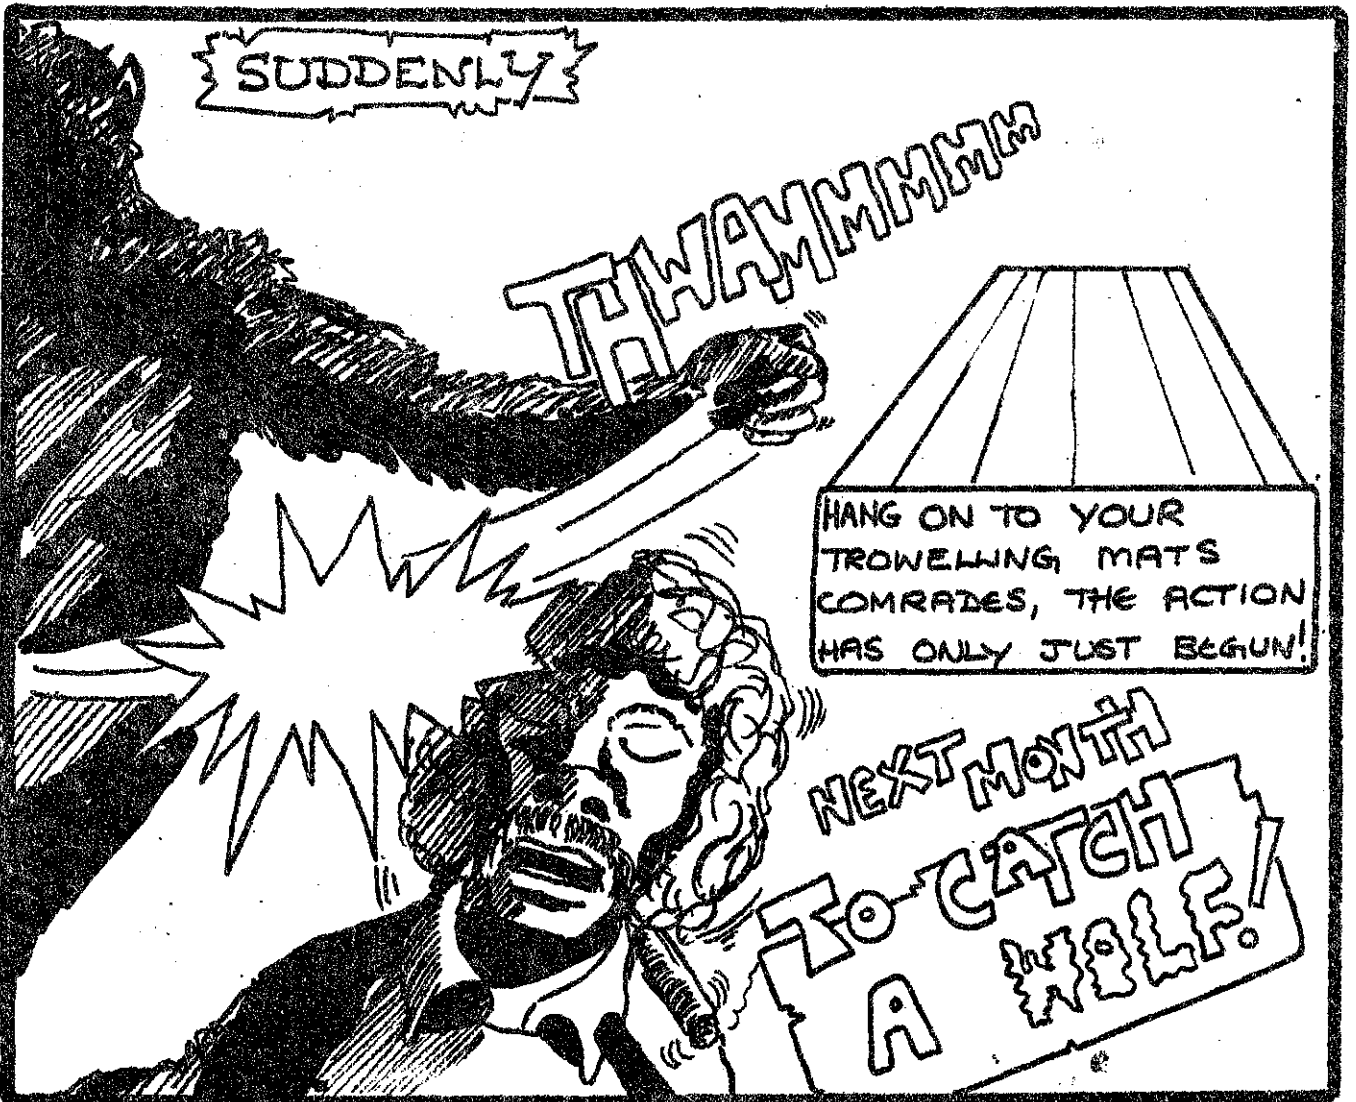

AND SO THAT NIGHT JOHN SCHOFIELD HID IN THE SHADOWS AND WAITED....

AND WAITED....

AND WAITED.

SUDDENLY

THWAMMMMM

HANG ON TO YOUR TROWELING MATS COMRADES, THE ACTION HAS ONLY JUST BEGUN!

NEXT MONTH TO CATCH A WOLF!
